So yesterday night..

Yes~ This vacation, because of the make up season, you couldn't go to the beach. Let's go to the beach!
No I'm Nood money tae
It's okay! Tonight we'll party for the whole night! Don't worry about the time. This's your present~

Gohyo! You're the worst!
Instead of being sorry to
me, you slept the whole time!!
Hodu..
Stressed

Then if Gohyo decides to go, are you going to go?
Hahahaha!
He will never agree to go! If he goes, then I'll follow him everywhere!!

That's how I came to the beach.

What am I doing here. I have to work and study
Huh? You didn't want to come to the beach?
I came because of you Why don't you have more fun?
You're the one who wants to have fun!!

That's it!

would you have been more happier if your brother came?
내 동생과 비교하지 마라고!
Of course! My brother is 20,000 times more better than you!!
